3 The grievance brought to notice by the Dt. Medical Officer of Bangalore appears to be real as it is difficult to get competent clerks on a pay of Rs. 15 per mensem. The Sanitary Commissioner's proposal appears therefore to be deserving of consideration.

4 The revision proposed by the Senior Surgeon refers to Medical Clerks attached to the District Hospitals and not to Sanitary Clerks.

B a n g a l o r e.

Sir,

I have the honor to enclose herein a copy of letter No. 1023 dated the 13th instant stating the difficulties experienced in getting a suitable hand for the post of - Sanitary Clerk, the pay of which is only ₹15/-. I agree with the District Sanitary Officer that the pay of the post is too low and that no competent man would be willing to serve on that pay. This has been the case not only in this District but in certain other Districts as well. The scale of pay of the Clerks employed in Districts therefore needs revision immediately. If Government approve I shall submit for sanction a proposition statement revising the present scale of pay of Clerks under District Sanitary Officers.

I have the honor to be,

Sir,

Your most obedient servant.

Letter No. 1023 dated the 13th January 1920 from the District Medical and Sanitary Officer, Bangalore District to the Sanitary Commissioner in Mysore, Bangalore

I have the honor to bring to your kind notice that since the pay of the Sanitary Clerk not being attractive, 2 clerks have had to resign the appointment during the short period I have taken in charge of this department. Now I have to get on without a clerk consequently the work suffers and papers are pending in large numbers.

2. I am fully convinced that even the work as done at present cannot be got through by a single clerk, the pay of ₹15/- for the clerk is very low, considering the responsibelity and the importance of the work to be turned out by him and the normal standard of living is becoming costlier day by day owing to high rent and high price of food stuffs. Moreover competent men cannot be got for such a low pay and even if found they do not continue to stick on to the post.

I request that you will kindly address the Government in the matter so that the pay of the clerk may be raised to ₹25/- which will, of course attract candidates.
